There's a **church** in Africa looking for a partner church **just like yours.**

*Hand-in-Hand Orphan Schools*

With the help of partner churches in North America, local churches in Africa are making disciples of a generation of children orphaned by AIDS.

### The Partnership

Hand-in-Hand (HnH) orphan schools are the result of a partnership between two local churches:

- The North American church (or small group):
  - PRAYS for their orphans and African church partner
  - GIVES to educate and feed their orphans
  - GOES to visit (if they choose)
- The African Church: teaches, feeds, disciples and provides a nurturing community for their orphans

### The Cost

\$4000 for a 10-month partnership (one school year)

### How is God using Hand-in-Hand orphan schools to make a difference?

- 50 orphans per school are educated and fed daily
- Unchurched orphans start attending church
- Educated orphans are better cared for by their extended families who see the child now has a future.
- African HnH churches take strong ownership of and pride in their school.
- USA churches enjoy real connection with their partner church in Africa and have the satisfaction of knowing that their giving and praying is making a difference in Africa.

Please send me information about Hand-in-Hand partnerships.
